# Protect Your Awning

## All-Weather Limited Warranty

This warranty provides total peace of mind. Rest easy that your investment is fully protected from all workmanship defects & weather damage. The warranty is a no-questions asked coverage that protects your awning for years to come. SunSetter Awnings is available with a five year warranty and Platinum is available with a 10 year warranty. This All Weather Warranty also comes with a possible accessory add on that covers the awning plus all coordinating accessories.

## Wind Sensor

Our wireless wind sensor is built with safety in mind. When wind is detected, this sensor will automatically close your awning to keep you, your home and your awning safe.

## Rain Sensor

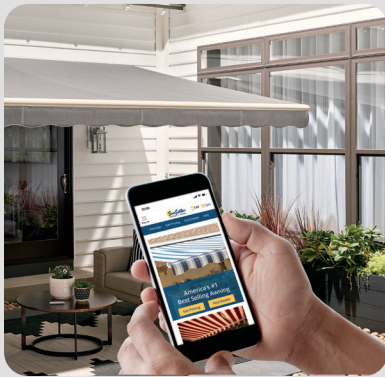

This wireless sensor detects rainfall and automatically opens or closes your awning based on your desired settings.

# Enhance Your Awning

## Dimming LED Lights

Energy-efficient, yet bright and durable, these lights attach directly to the awning's arms and can be controlled or dimmed with your awning's remote.

## Somfy Tahoma

Control your awning and Dimming LED Lights using your tablet, smartphone, or voice commands. Simply plug in the device, download the free app, and follow the setup wizard.

## Patio Lights

Weatherproof, smoke-colored Lexan lights emit a lovely, diffused light over your deck or patio. Includes a set of 6, plus a stretch coil cord and 20 additional feet of cord between the plug and first light.

## SunSetter Mat

This rugged, mildew-, and flame-resistant floor mat adds style and comfort, while protecting your deck from furniture scuff marks, making it less slippery, and even protecting bare feet from splinters.

Available in three sizes: 9'x9'; 9'x12'; 9'x16'.

# Complete Your Awning

## Aluminum Hood

With a choice of either cream, white, or bronze to match your awning hardware, this hood provides a perfectly finished look, as well as exceptional protection for your fabric and motor.

## Front and Side Weatherbreaker Panels

Stay protected on all sides while you enjoy the outdoors. Blocks 85% of sun, wind and mist, while enjoying filtered light and a gentle breeze. Front and Side panels sold separately.

## Cleaning Kit

Includes a telescoping brush, two bottles of cleaning concentrate, a touch-up paint kit, and a fabric repair kit.

## Awning Cover

This sturdy, cream-colored vinyl cover attaches over your awning when closed for protection from dirt, birds, rain, ice, etc.

Platinum Motorized, Woven Acrylic, Honeycomb

## Final checklist

- Are there any other questions I can answer for you?
- Does SunSetter sound like the kind of company you would like to do business with?
- Other than price, can you think of any reason you wouldn't want a SunSetter retractable awning on your home?
